In Shawna's talks you'll discover...

- A proven process for clearly defining and envisioning your dream, so you know exactly what your dream life looks like, and can develop a plan for creating it..
- Exactly where your resistance lies – and how to dissolve it – so you can begin attracting greater abundance and creating better results, more quickly.
- What ultra-successful people do to achieve extraordinary results, and how to follow that same path to create unstoppable momentum in your own life.
- The number one factor that causes people to lose steam when they're pursuing a dream, and how to override it until you cross that finish line.

Wonderful things are seeking to happen with you. They don't happen by pursuing what you think is possible based on your situation, circumstances or outside conditions. They happen by living from a vision that is born from the question, "What would I LOVE?"

AV REQUIREMENTS

Shawna takes her commitment to your group quite seriously. She understands that you have invested a great deal of time, money and energy into your event, and would like to offer you some suggestions to make sure you receive the maximum return possible on your investment by receiving the best presentation possible.

Mics & Tables

- Shawna prefers a behind the ear mic when possible. Please make sure that the AV department has a back-up microphone available at all times. Our suggestion would be to have someone from your group assigned to the microphone system should any adjustments be needed for volume, bass, feedback, etc.
- Shawna uses PowerPoint during her presentation. She will need a projector and connecting cord for her computer within range of her remote control for changing slides.
- Please have water available for Shawna
- Audio and/or video taping is available with PRIOR WRITTEN AUTHORIZATION. This includes any modification to the presentation. If the presentation is edited or cut in any way for public use, Shawna must approve it before release.
- Please have a table available for Shawna's products and someone available to assist her during the day of her presentation.

Successful Meeting Tips

- Theater or classroom seating is preferable. We understand that when planning on or around a meal, this is not possible.
- If the event is in a hotel, please request from the hotel or auditorium management that the meeting room have no distracting noise from an adjoining room, such as a singing group, rock band, etc. during the time Shawna is presenting her keynote or seminar.
- It is difficult to build intimacy and rapport if your audience is still eating. Please instruct the banquet staff to clear up BEFORE the speaker's presentation.
- When a photographer is present, please ask them to refrain from taking photos the first 15 minutes of the program. This can be distracting to the speaker and audience.
- Please make sure the room is well lit especially the staging area. People remember more and laugh more in bright rooms. Shawna prefers to see the faces of the audience. This allows her to see how they are responding to her presentation.

Gratitude is the key to abundance. When you focus on what you have, life gives you more reasons to celebrate. Start each day with a thankful heart, and watch as positivity attracts endless opportunities for success, joy, and connection.
